READ:—

1. Proceedings of the last District Fund Board Meeting held on the 25th May 1897. — Recorded.

2. Government Notification No. 13819—L. F. 251-96, dated 28th June 1897, appointing Mr. F. Clifford of Sollebail and Chikmagalur, as a member of the District Fund Board of the Kadur circle in the place of Mr. G. R. Oliver of Santaveri, resigned. — Recorded.

3. Executive Engineer's docket No. 75, dated 23rd April 1897, requesting to take over charge of the chavadi at Bhund ghat (near the Kotigehar toll-gate), and the Mudgere Amildar's report No. 1265, dated 2nd June 1897, stating that he has taken charge of the building and requesting instructions as to how the pay has to be met of the watcher appointed by the D. P. W. for the chavadi from 1st April 1897. — Resolved that the charge at the rate of Rs. 7 per mensem for last year be met out of the estimate amount of the building and that the charge for the current year be provided for in a supplemental budget and sanction of Government obtained thereto.

4. The Civil Surgeon's docket No. 1348, dated 25th June 1897, forwarding copy of Mr. Bruce Foote's remarks on the Local Fund Dispensary at Mudgere and requesting that necessary provision be made from the several Funds towards a new building for the dispensary, the present one being quite unsuited for a dispensary. — The Board are of opinion that a new dispensary building should be provided at Mudgere, which is an important and rising town. Provision will be made to the extent of Rs. 1,000 in a supplemental budget from District Funds, application being also made for the necessary contributions from Provincial and Municipal Funds.

5. The Executive Engineer's memo No. 130, dated 17th July 1897, enquiring what class of a musafirkhana is required at Kotigehar and where it has to be built and whether funds are available for the purpose. — It was resolved that a 2nd class type musafirkhana costing Rs. 4,000 be provided, that a site be selected by the Executive Engineer, the Amildar and the Deputy Commissioner, and that provision be made for a portion of the funds (*viz.*, Rs. 1,000) in a supplemental budget of the current year.

6. The Chikmagalur Amildar's report No. 1820, dated 26th May 1897, forwarding the petition of the Amble and other villagers praying for a road from Hiremagalur to Amble, where a heavy traffic is carried on, and stating — The Board do not see their way to make any grant at present for this village road, but an application will be made to Government to make an allotment for the improvement of important village roads from Local Funds General.

7. Petition, dated 20th July 1897, from the residents of Chikpatnagere village, praying for the completion of the well sunk by them at a cost of Rs. 250 some two years ago.

Sanctioned, and provision be made out of Rs. 10,000 sanctioned from Local Funds General (G. O., dated 8th July 1897, No. 85—D).

8. Petition, dated 15th July 1897, from the residents of Yagati village, requesting that necessary repairs be ordered to the road from Yagati to Pura, the present one being miry and too rugged and not trafficable.

Resolved that no funds are available, but a representation will be made to Government to sanction an allotment, for the improvement of important village roads generally, from Local Funds General.

9. Petition, dated 19th July 1897, from the residents of Chamanahalli village, praying for the completion of the well sunk in their village and stating that they have paid in labor Rs. 120 and subsequently in money Rs. 132 towards the work.

Resolved that as there is no prospect of water being found in the proposed well, which is situated on the top of the hill, no grant-in-aid can be made. The money subscribed by the villagers will be returned to them.

10. The Kadur Amildar's No. 68, dated 13th July 1897, reporting, with reference to Executive Engineer's No. 116, dated 30th June 1897, that men and cattle of Alagatta village, have no other source of water-supply and that the villagers have already contributed their share of earthwork to the breach in the tank bund and that stone work is necessary to that part of the breach.

Resolved that, before taking any action in regard to the katte, the Amildar be directed to ascertain if the drinking water-supply cannot be improved by deepening the existing well.

11. The Mudgere Amildar's report No. 50, dated 16th July 1897, requesting that the ferry at the Hemavati crossing on the Mudgere-Bydavalli road, may not be resumed to Government during the current year, as the boatman in charge of the ferry has made a proposal to work the boat himself without any help from Government.

Resolved that, before acceding to the proposal, the opinion of the planters* concerned in the ferry be ascertained.
